HELP SEND A CHILD TO SCHOOL IN UGANDA!

BUILDING HOPE PROJECT: UGANDA STUDENT SPONSORSHIP!

"Building Lives, Building Communities, Building Hope For Tomorrow."

When a tree is chopped down, there is always the hope that it will sprout again-Job 14:7

1,120,000 children in Uganda aren't in school.

You can help make that number smaller.

Greetings everyone!

Join us, **Building Hope Project**, in destroying systemic poverty and building hope for the nation of Uganda and for nations all around the world. **Building Hope Project** is a faith-based organization that is currently serving the region of Uganda, Africa through student tuition sponsorships, ministry outreach, and development opportunities. We cater to subserviced children and their families who can't afford Primary School education, and even serve families affected by the HIV/AIDS epidemic that plagues the continent of Africa. We want to see a poverty-free world and want to empower the nations to know that it's possible, but we need your help. *A gift of \$180 will cover tuition, school supplies, a meal a day, and ministry outreach for a child and their family for an ENTIRE YEAR. Can't sponsor a child? A financial, tax-deductible gift of any size will be greatly appreciated.* You can send all checks to **United Gospel Outreach** (address above). For more info or to donate online, visit our website at: www.buildinghopeproject.org (United Gospel Outreach is a 501(c)(3) non-profit organization).

It's not difficult to help change the world- it doesn't take a whole lot, just your willingness.

Who could you be sending to school?

United Gospel Outreach Introduces Building Hope Project

A student tuition sponsorship program and ministry, serving primary school students in Uganda, East Africa.

We have partnered with Agape Global Missions in Jinja Uganda, which oversees the student sponsorship program

For more info visit:
