### **HELP SEND A CHILD IN UGANDA TO SCHOOL!**

**Hello Family and Friends!**

My name is \_\_\_\_\_ and I am having a \_\_\_\_\_ to raise money and support for **Building Hope Project!** Building Hope Project is a faith-based organization that is currently serving the region of Uganda, Africa through student sponsorships, ministry outreach, and development opportunities. Their goal is to break the systemic chains of poverty and raise up a prosperous generation for the nation of Uganda and for nations all around the world. Their project caters to subserviced children who can't afford primary education and their families, sending children to school for **FREE** and providing them with a meal a day and other scholastic necessities. This organization provides children and their families the tools and encouragement to know that they can use the innate potential and gifting in them to change the world they live in. This organization serves as an access point to better the lives of others and even serves families affected by the HIV/AIDS epidemic that plagues the continent of Africa. Please join me in supporting this wonderful organization and taking a step to building hope for others. Along with supporting my fundraiser, you can sponsor a child for a very small fee of \$180 which covers tuition, 1 meal a day, and ministry outreach for a child and their family for an entire **YEAR** or send a tax deductible gift of any size to **7223 S Main St LA, CA 90003** and reference Building Hope Project (on organization's website). For more info on sponsoring a child or to donate online, you can visit their website at: [www.buildinghopeproject.org](http://www.buildinghopeproject.org) (United Gospel Outreach is a 501(c)(3) non-profit organization).

I'll need everyone's participation to make this successful! The fundraiser will be \_\_\_\_\_ at \_\_\_\_\_ from \_\_\_\_\_ to \_\_\_\_\_. Things needed will be \_\_\_\_\_. Please come out and support and show your love for this awesome organization dedicated to changing the world! We can't sit back any longer, we have to take a stand and know the world will only be as good as the effort we put into it. See you soon, don't be late! Thanks!

Sincerely,
